## PROGRAM

17 November  
Wednesday

14.00 - 18.30

### CTO CATHLAB

Enjoy yourself building a full CTO planning starting from a critical analysis of the anatomy and landing on coronary complications management.

Let's play your skills to get confidence with some useful CTO tips.

14.00 - 14.15 Welcome and introduction

14.15 - 16.45 Building a CTO strategy

16.45 - 17.30 Dig into cto tips: let's get your hands dirty

17.30 - 18.30 Coronary perforation on the stage. Can you manage?

### BIFURCATION CATHLAB

Let's analyse together and treat as first operator the bifurcation lesions you're going to see during TOBi Live cases!

14.00 - 14.15 Welcome and introduction

14.15 - 14.45 Bifurcation: what's new?

14.45 - 15.15 Building a bifurcation PCI strategy

15.15 - 18.30 Let's move your hands !
