
EDUCATIONAL GRANT SUPPORT

TOBI is a very specific Course meant for interventional cardiologists all over the world.

The request for educational grants has been growing more and more in the latest editions and it is now very hard to satisfy all of the requests and cannot afford to cover Grants entirely.

Therefore, to support the maximum of attendees, TOBI has decided to change the Grants' rules as below:

TOBI 2024 Educational Grant will cover:

- Registration Fee
- 2 nights accommodation (in 16 - out 18 October)
- Physicians working in Italian Cath-labs will receive a travel refund as follows:
by car/train up to € 150,00 - by flight up to € 250,00

The refund will be made after the end of the congress upon the receipt of the travel tickets only and exclusively to the attendees.

Please apply through the website.
